KRONBORG
GALLERIERNE

Kronborg Gallerierne er kreative rum, der er åbne for offentligheden. Vi laver glas, keramik, maleri, smykker, foto, beklædning, skulpturer og grafiske design. Kom ind og se hvordan kunstnere, designere og kunsthåndværkere arbejder. Stederne er kombineret værksted og butik, så du kan både se og købe.

The Kronborg Galleries are creative spaces open to the public. We work with glass, clothing, jewellery, graphic design, ceramics, photo, paintings and sculptures. Come and see how artists, craftsmen and designers work. The places are both workshops and shops, so you can look and buy as well.
